(626) 695-9671

1820 S MONTEREY ST,  
ALHAMBRA, CA 91801

---

## OBJECTIVE

---

A highly organized and diligent individual looking for an accountable position to gain practical experience.

---

## SKILLS

---

AutoCAD  
Inventor Pro  
MicroStation  
Visual Basic  
Microsoft Software

---

---

## EXPERIENCE

---

### ELDORADO NATIONAL-CA

January 2020 - Present

As an intern, I am often given tasks where I have to think of creative solutions presented to me while considering which possibilities are most time and cost efficient. Being organized with my work and having good communication skills makes it helpful for collaboration.

### KUMON LEARNING CENTER

September 2018 – October 2019

Being a tutor not only taught me how to communicate with coworkers but also with students to individualize my teaching style according to their strengths and needs.

---

## EDUCATION

---

### CAL POLY POMONA

Class of 2022

I am pursuing my Bachelor of Science degree in civil engineering. I have completed a numerous number of courses directly related to my field of study such as surveying and computer programming.

---

## INVOLVEMENT

---

### AESTHETICS CAPTAIN | STEEL BRIDGE

August 2019 – Present

In this student-run club where we fabricate steel to construct a strong 1/10 scale bridge, it is important for me to understand the process and my contribution. Serving as this year's Aesthetics Captain, it is my responsibility to ensure the satisfaction of my teammates by paying attention to detail.
