

# Daniel Romero

Ontario, CA 91761 ♦ (909) 331-0008 ♦ dvromero@cpp.edu

## Education

**California State Polytechnic University, Pomona**

May 2022

Bachelor of Science, *Civil Engineering*

GPA: 3.99

## Experience

**Student Intern**, Riverside County Transportation Department, Riverside, CA

May 2020 – Current

- Creates CAD drawings of layout cross section sheets for proposed projects.
- Assists engineers in quantifying estimated project costs.

**Engineering Intern**, HR Green Pacific Inc, Jurupa Valley, CA

June 2019 - August 2019

- Developed CAD drawings of existing utilities from county and city plans for future construction projects.
- Assisted engineers in creating Requests for Proposals for numerous capital improvement projects.
- Corresponded with county personnel in completing city as-built archives.

**Technology Specialist**, Bronco Bookstore, Cal Poly Pomona

December 2018 – March 2020

- Assisted customers in technology purchases and repaired Apple computers as an Apple Certified Technician.

## Leadership and Affiliations

**Steel Bridge**

August 2019 - Current

**Construction Captain**- Collaborates with other officers in creating a team to compete at Pacific South West Conference and in fabricating the bridge for competition.

Learns how engineering concepts apply in real life by learning the structure and design of the bridge.

**Kellogg Honors College**

August 2018 - Current

**Member**- Volunteers at community service events in the city of Pomona.

Will complete a senior capstone project on a civil engineering topic.

**Bronco Pep Band**

August 2018 - Current

**Section Leader**- Leads high winds section during rehearsal.

## Academic Projects

**Topographic Map of Engineering Meadow at California State Polytechnic University, Pomona**

Collaborated with other students to survey and to use AutoCAD to create a topographic map.

## Skills

- |                    |             |                |
|--------------------|-------------|----------------|
| • AutoCAD          | • ArcMap    | • MATLAB       |
| • MicroStation CAD | • PrismRBS  | • Visual Basic |
| • Microsoft Office | • FileMaker | • Spanish      |

## Relevant Courses

- Surveying Engineering
