PROFESSIONAL EXPERIENCE

Cal Poly Pomona, Pomona, CA

Research Assistant for Steel Bridge Team, February 2021 - May 2021

At Cal Poly Pomona, we were expected to fabricate and construct a 20 foot bridge over the span of a month just in time for competition all while taking the necessary precautions due to the COVID-19 pandemic; social distancing, limited members working inside the lab.

Cordoba Corporation, Santa Ana, CA

Transportation Intern, August 2020 - December 2020

In Cordoba I was expected to create organizational charts for different companies and list their current projects and format logistical items such as resumes and project matrixes on Sharepoint .

Walt Disney Company, Anaheim, CA

Cashier, April 2019 - Present

In Disneyland Park my responsibilities consist of serving guests at the quick service carts within Frontierland. The job duties consist of preparing the food we will be selling as well as ensuring that our cart remains ready for any guests arriving.

Chick-fil-A, Irvine, CA

Cashier, June 2018 - October 2019

Communicated with customers by properly addressing questions with relevance to the menu for customer satisfaction. Provided the best customer service possible in a fast-paced and high demand environment.

St. Cecilia's Catholic School, Tustin, CA

Extended Care Aid, September 2017 - June 2018

As an Extended Care Aid I helped children with homework, supervised during break time, and formulated arts and crafts projects on a weekly basis. The children I worked with ranged from ages 4-13 years old.

EDUCATION

California State Polytechnic State University- Pomona

Pomona, CA

B.S Civil Engineering Candidate (Expected graduation May 2022)

Extracurricular Activities
