## OBJECTIVE

Undergraduate student studying civil engineering and political science at Cal Poly Pomona. Looking to learn more about civil engineering and the opportunities it provides.

## EXPERIENCE

### Intern

#### Irwindale Public Works Engineering (July 2021 – Present)

Review and approve Transportation/Oversized Load Permits. Assist in reviewing Encroachment/Construction Permits and traffic control plans. Compile records/plans utilizing Adobe Acrobat and AutoCAD. Read grants, codes, and regulations that would affect the department.

#### Student Assistant – Benchmarking and Equity Research

#### California Energy Commission (March 2021 – August 2021)

Managed the Building Energy Benchmarking Program's hotline. Provided support to building owners and consultants regarding AB802 reporting requirements via hotline email or phone call. Tracked hotline traffic through Microsoft Excel. Drafted compliance letters to building owners.

## LEADERSHIP

- ASC Design-Build Team (Pre-construction Manager)
