

DIEGO PABLO DIEGO

440 E 27th St. Apt #24 Los Angeles, CA 90011

dpdiego@cpp.edu · (323) 527-6553

OBJECTIVE

To obtain an internship from a Civil Engineering organization that enables me to gain hands-on experience involving designing and construction management, infrastructure, and how to positively impact the community and environment.

EDUCATION

Santee Education Complex	Los Angeles, CA	August 2014- June 2018
LAUSD Diploma		GPA: 3.76
California State Polytechnic University, Pomona		August 2018- Present
Bachelor of Science in Civil Engineering		GPA: 3.86

WORK EXPERIENCE

World Fit for Kids!	Los Angeles, CA	December 2016- June 2018
Tutoring and Mentoring		
<ul style="list-style-type: none">• Involvement in schools' activities that engaged the minds of student• Prepared students individually and in a small group on academic coursework• Introduced the best methods for the pupil to improve in his or her studies		

ORGANIZATION

Steel Bridge	August 2019- Present
Construction Team	

Teamed up with a group of people to assemble a steel bridge under a certain time, meanwhile complying with other strict requirements. Additionally, I'm learning how to fabricate the bridge and acquiring a better perspective of what holds the bridge together.

Society of Hispanic Professional Engineers	August 2019- Present
Media Relations Committee	

Responsible to advertise the CPP SHPE chapter in the SHPE social media and update the website to welcome new members to this amazing club. Additionally, I attend events to network and acquire new skills that will benefit me in my career path.

SKILLS

- Experienced with AutoCAD Civil 3D
